

## In the Community

*A big thank you to the community for supporting the Frederick-Firestone Fire District's Santa Run Parade. This year marked the 17th year that the Fire District has done the Santa Run and it was a success!*

Here is the latest news from your Fire District.

## **Update: Prescribed Burns in Frederick Postponed until 2022**

The planned and prescribed burns in the Town of Frederick have been postponed. The goal is to hopefully be able to do the prescribed burn sometime between January and March 2022. During this time the remote

weather station, installed in the field northwest of Godding Hollow Pkwy. and Colorado Blvd., will continue to help moitor snow and moisture conditions for our area. This data will be beneficial in helping establish dates for the Town of Frederick prescribed and controlled burns.
